## July 2013

### Welcome to the July 2013 Edition of "On the Move"

#### K&K's Team Continues to Turn Heads at First Baptist Church of Centralia's 10th Annual Charity Golf Tournament

K&K brought home trophies for another year at First Baptist Church of Centralia's 10th Annual Charity Golf Tournament. For the last 6 years K&K has proudly sponsored this event.

From Left to Right: Keiona & Pamela Trent

From Left to Right: Tony Langhorne, TJ Branch, Nat Wilson, and James Crawley

Although K&K came in 3<sup>rd</sup> for the first time in 4 years, TJ Branch promised the team will do better next year and be at the winners circle. We would like to thank the team for all their hard work in bringing home this year's trophies. It was truly an enjoyable event

#### We Appreciate Your Feedback

Recently, we received the following feedback from Dedra Townsend.

*"I just wanted to personally say "thank you" for the outstanding service K&K provided to MV0017 on yesterday afternoon. The company stepped in and our wait time at the gas station was at a minimum with getting us further down to the road. Carlon made sure our immediate needs were met once we arrived in Richmond and he assured nothing else was needed before we finished our commute back to our park & ride. Thank you again and have a great day!!"*

Thank you Debra for your kind and encouraging words. We strive to make everyone have a great commuting experience. We can't express how much we appreciate you as our customer. Thank you for belonging to the K&K Family!

#### Tougher Penalties for Drivers Who Text

If you are one of those drivers that don't take texting and emailing while driving seriously you may want to think again. On July 1<sup>st</sup> a new law was put into place that will provide tougher penalties for drivers in Virginia who text or email while behind the wheel. This new law increases the fines and makes texting and emailing while driving a primary offense. This means officers can now pull drivers over who they suspect are using their phones to send texts and emails. Prior to this law taking effect, officers needed another reason to pull the vehicle over before charging the driver with distracted driving.

The fines go up significantly: \$125 for the first violation and it doubles to \$250 for subsequent violations.

## Metro launches new Twitter feeds

On July 10<sup>th</sup> Metro introduced three new Twitter feeds to better meet the needs of their customers.

Service information for Metrorail and Metrobus has moved off of WMATA's main Twitter account (@wmata) into two separate feeds -- @metrorailinfo and @metrobusinfo -- with service information from Metro's operations control centers via the MetroAlerts system. By separating the feeds, riders can follow the accounts that interest them and reduce the number of Metro-related tweets they receive. Metro's main Twitter feed @wmata will continue to carry general information, including news releases, major announcements, new initiatives, and destination promotions.
