95 Express Lanes Operations

Please join the Department of Rail and Public Transportation and the 95 Express Lanes team at a workshop to learn more about the 95 Express Lanes project and its impact.

On schedule to open in early 2015, the 95 Express Lanes will completely change how HOV-3 commuters, transit riders and transit and vanpool providers use today's I-95 HOV corridor. The workshops will ensure you understand how the Express Lanes will work so that you're prepared to take advantage of the lanes once they open.

At the workshop, you will learn how the 95 Express Lanes will work, important information for HOV-3 commuters and transit riders, and for transit and vanpool organizations.

If you're unable to attend but would like the 95 Express Lanes team to brief you or your organization, please contact Mike McGurk at mmcgurk@transurban.com

Please RSVP by April 2 COB.

Take Precautions While Driving and Parking During the Cherry Blossom Festival

About 1.5 million tourists and locals plan to be in the metro area for the 2014 National Cherry Blossom Festival. AAA Mid-Atlantic warns that free parking is limited & approximately 144,000-plus parking citations will be issued this year.

The Park Police and D.C. Traffic Control Officers are directing traffic around the event and will be ticketing people every day of the event.

Motorist should make sure they pay strict attention to the parking rules, time on the meters, and rush hour restrictions throughout the entire festival.

AAA is advising people who want to attend the Cherry Blossom Festival to consider the following:

Take a long walk along the Tidal Basin. Wear comfortable shoes and a windbreaker.

Bike it. (Capital Bikeshare has multiple stations throughout the event area).

Ride the Metro. The transit agency warns "Trains and stations are always more crowded during Cherry Blossom season. Visitors are encouraged to travel during non-rush hour times, if possible, and try to avoid traveling at the height of the afternoon peak period, from 4 to 6 p.m."

Take the Bus - There are 52 bus stop routes within a half-mile of the Tidal Basin.

Get a ride on the shuttle with a number of stops between Hains Point and Thomas Jefferson Memorial.
